BOOK SYNOPSIS

Dont miss the Blood of Eden trilogy by the New York Times bestselling author of The Iron Fey and The Talon Saga! This darkly thrilling series, set in a destroyed, near-future world, will captivate fans of the Divergent, Hunger Games and Maze Runner series. WHAT IF HAVING A CHANCE TO SAVE HUMANITY MEANT BECOMING WHAT YOU HATE AND FEAR MOST? Allison Sekemoto survives in the Fringe, the outermost circle of a walled-in city. By day, she and her crew scavenge for food. By night, any one of them could be eaten. Some days, all that drives Allie is her hatred of them—the vampires who keep humans as blood cattle. Until the night Allie herself dies...and becomes one of the monsters. Forced to flee her city, Allie must pass for human as she joins a ragged group of pilgrims seeking a legend—Eden, a place that might have a cure for the disease that killed off most of civilization and created the rabids, bloodthirsty creatures who threaten human and vampire alike. But hiding her identity is nearly impossible as she comes to know and admire her companions...and starts to fall for a human. Soon Allie will have to decide what—and who—is worth dying for...again.
