BOOK SYNOPSIS

This second edition updates all the info in the first edition plus a new critical, urgent, sometimes shocking chapter on Estate Planning for visual artists. The information here covers all pertinent aspects of accounting, tax issues relevant to visual artists. Written in plain English, not account-ese, or legalese, the info is based on Canadian law, but is useful for artists from any English speaking country. The material covers the basics, what expenses can be claimed, tax rules, the audit demystified, how to win your audit, the new info re estate planning for artists. The artist can use this guidebook for DIY and/or as a basis for a fruitful collaboration with accountants.
